Evans, the promoter and builder of the road, is preparing plans and surveys to extend the road to Caledonia, Belgrade Palmer and Berryman. This will sup-Smith Goff from Belgrade was in ply a region of thriving towns and reach the lead fields of Palmer."

Rev. L. F. Aspley died Saturday, July 29, 1916, at 2:30 P. M., at his residence, Arcadia, Mo., aged 85 years, 4 months and 10 days. His many years had long enfeebled him, and for months the end had been known to be near and certain. He, peacefully and quietly as a child sinks into slumber, passed from a long useful life, bearing with him the love and respect of all, regardless of nationalty or creed. A fitting obituary will be given later. The remains were consigned to rest in the K. P. Cemethere is still lots of work in the lead tery Tuesday afternoon, a very large concourse attending the final rites.

The Valley Manufacturing Company, of Ironton filed articles of incorporation with Recorder Hawkins Monday. The incorporators are B. N. Brown, J. W. Tims, Oka M. Brown and Mary A. Tims. The capital stock is \$2500, half paid. The par value of the shares is \$10 each and are held as were good rains south and east of us follows: B. N. Brown 199; J. W. Tims, 49; Oka M. Brown, 1; Mary A. Tims, 1. The purpose of the corporation is to manfacture ax, pick, hammer and hatchet handles, We understand the purpose is to locate a site near the station and begin operations in the

A fair Democratic vote was polled in the primary election in Iron county Tuesday. This (Wednesday) morning returns from eight out of seventeen precincts indicate that the vote between Roach and Gardner for Gov ernor will be close. Hensley and Munger are right together. On the county ticket Dr. Farrar is nominated for Representative, Blue for Sheriff, Conway for Treasurer and Marshall factories from Bee Fork to Mountain for Assessor; the vote for County Judge Southern District is very close plates removing his residence from and the returns will all have to be in before it can be determined whether On two or three occasions the past Reese or Ruble has won the nominaweek we have had unusual electric tion. Ruble got practically all of the storms with every indication for a votes at Des Arc and Reese received down-pour of rain, but the rains came | majorities at Ironton and Annapolis. not. Truly, all signs fail in dry The Republicans polled a very light vote. Ramsey has probably carried Hon. O. L. Munger was in Ironton the county for Congress.

The local leaders in the Republican party do not evidence any special picnic the day before. He went to love for the primary system; they seem to think that the "common herd" should have no say about the C. J. Tuni of Ironton, who has the make-up of the county ticket; that can be best looked after by the bosses. Seldom do they encourage any amof twelve hundred inhabitants in the been very busy the past few days trying to induce one of their can-Flatwoods was in town Tuesday to they have, and one or two meetings in the expensive furbelows and orna- his family there. vote at the primary election. He rewas found dead in a field at his home. ports what we believe is the banner wheat yield, probably of the county he having one field of forty acres ed to Graniteville. Not returning that yielded 21 bushels to the acre-His entire crop of about 120 acres instituted and his body found in the yielded from 16 to 21 bushels. While this is a long way short of his usual yield of over 30 bushels, it is good for this year of from 3 to 10 bushel averages in Missouri and several adjoining states. Mr. Smollinger is a thorough believer in preparedness and makes his seed bed like he was going to put in a garden. He attributes his good yields largely to this fact alone. He says that the yield on most of his tenant farms was from 5 to 8 bushels an acre. These crops were sown in about the average way and produced about the average yield. It evidently pays to give soil or seed day. bed preparation careful attention."

Capt. A. B. Sloan is known in the valley, having married Miss Belle Craine, formerly of Pilot Knob. The following is taken from the last issue of the Cape Girardeau Republican: 'Capt. A. B. Sloan, formerly of Cape Girardeau, an officer in the regular army and for several years stationed at Little Rock, Arkansas, has been appointed by Governor George W. Hays of Arkansas to succeed Fred W. Greene as lieutenant colonel of the Second regiment. Lieutenant Colonel Sloan was assigned to the national Tuesday afternoon. guard four years ago as inspector. He served two years and on re quest of the governor was again assigned by the war department to the post. The appointment was not a surprise, as Lieutenant Colonel Sloan F. Kaths and family at Pilot Knob. was one of the most efficient officers in the regular army for a number of years. With the mobilization of the nouncing that his father was dying. Arkansas state militia, Lieutenant mission by the war department to accept a commission in the state guard. Mr. Sloan resided in Cape Girardean at one time, having attended the Normal, where he finished his course before going to Memphis to military Mo. chool. From Memphis he went to West Point, but left there before taking his graduating papers. He married a Pilot Knob, Mo., girl and for the past eighteen years, since leaving here, has been in Arkansas. He visited in the city about two weeks ago." The question, shall this district as-

upon next Monday. The REGISTER is Hicks promises us much school; but I claim the proposed exreason. If the present school building is inadequate an addition thereto at, say, a cost of \$2500, would furnish years to come. But the claim is made trict. Is there just reason for providing for any others? Let that go, however; admit, for the argument, that desire for this carry with it an expenditure for tennis-courts, base ball diamonds, and the other fallals it is now too greatly the fad to hang upon the proper provision for "teaching the young idea how to shoot?" The public may be an ass easy under its burden, but there is a limit-and ought to be a limit-to its endurance. the educational necessities of the dismentation demanded by the aesthetic

From Arcadia Heights.

Vall left Tuesday for Farmington,

Since our last letter to the REGISTER we have had very warm and dry weather. Corn has been standing the weather remarkably well, but unless we have plenty of rain through August, the corn crops in this valley sume an indebtedness of \$15,000 for will be almost a failure. Gardens are High School grounds and building? already rulned, and pastures are has been submitted and will be voted burning up from want of moisture. and 260 baskets by local express. The in favor of furnishing all reasonable through August. We hope he is facilities for the conduct of a good right, and that ground soaking rains may soon visit this locality, which appenditure is not called for with good pears to be suffering more than any

other part of this county. The Baptist Assembly will convene here Tuesday, August Sth, and as the all the necessary school room for Baptist people believe in much water, it is to be hoped that their coming toby tax-payers that even that ex- gether may be instrumental in bringpenditure would be wholly uncalled- ing much rain. Of one thing we are for if the school be devoted only to positively certain, the coming Assemthe care of the children of the dis- ply will, in every respect, far excel anything of the kind ever before held in Arcadia Valley. Watch and see! Work along all lines that will help to we need more school room-must the make the coming Assembly a record breaker, is being rapidly pushed to a finish.

Henry Wise, who has been working in St. Louis, is spending a few days here visiting his aunt, Mrs. Beardsley. Lem Logan of Belleview was in Ironton last Tuesday.

J. H. Price of Belleview was in Ironton Friday. Mr. Price says he A debt of \$15,000 is not warranted by thinks of making a trip in the near visiting old friends and relatives future to Morgan county to look out here. Our old friend, J. T. Blanton, of didates to retire, or, at least, he says trict; are we rich enough to indulge a location, with a view of removing

The writer returned last week from tasts of the State-wide High School St. Louis where he had a good posi-Trust? That is the question to be de- tion in an office of the Burlington eided next Monday, and I trust those Freight Depot. It was entirely too motored to Bismarck Sunday. who pay will be held capable of warm in St. Louis for one accustomed answering it without outside aid or to the quiet and grandeur of life on to Farmington Sunday and attended the farm, where the altitude is so the last service of the Burk & Hobbs much above St. Louis.

Our young friend, Elmer Becker of Pilot Knob, now has a good position week with her sister, Mrs. Chas. Bond, n St. Louis, as Cashier of the Mercantile National Bank. Glad to know that Elmer is getting along O. K.

The Misses Haile and two gentlemen from Farmington were out here last Sunday afternoon, and left their Terre were guests in the home of Dr. car in care of the writer while they and Mrs. D. Appleberry last Sunday. took their lunch for supper on the Heights.

Mr. E. L. Cook, cashler of the bank of Ironton, drove his car out here Thursday evening and took the writer around by Pilot Knob to the Mo-Gee farm, west of Shepherd Mountain. We arrived safely at home at 8:30 P. M., having made the trip O. K. Mr. Cook certainly knows how to handle his car all right.

Judge Townsend and brother, Ab., were in Ironton Friday. They sold liams' Saturday. some cattle to D. Fletcher.

The writer was out to his farm near Roselle last Monday. The prospects for a good crop of corn out there are very good. That country, while only about five miles from here, appears to have had plenty of rain during the last month. Wheat out there, howover, was hardly worth cutting.

Mrs. Patterson and daughters, Minnie and Iola, visited Mrs. Whitworth and Mrs. Whelahon Friday

evening of last week. A gentleman from Granite City, Illinois, was here not long ago trying to trade property in that city to the writer for his farm near Roselle. The country in and around Roselle is entirely too low to suit one reared in

this neck o' the world. The attendance last night at the Baptist Church was very good. Rev. Mr. Harris made an excellent talk which was very much appreciated by all.

Bamboo (slatted) Porch Shades ize 8x10 ft., tinted green on inside; just the thing to make your porch cool, or for sleeping porch. Price only \$2.50 each.

J. M. Hawkins, Sr., Celebrates His 75th Birthday.

J. M. Hawkins, Sr., one of Iron County's best citizens and an old Confederate veteran, a member of Co. E. Second Mo. Reg't Forrest's Cavalry, celebrated his 75th birthday Wednesday, July 27th, 1916.

His children, consisting of Circuit Clerk, Jesse M. Hawkins and family, Ironton, Mo., Mrs. J. L. Morris and two youngest children, of 4196a Castleman Ave., St. Louis, Philip R Hawkins and family, Fairview, Okla., Mrs. Chas. Sutton, husband and children, Ellington, Mo., Mrs. Harry Russe II, husband and child, Belleview. Mo., and Mrs. John W. Smith and son. Fredericktown, Mo., were all present and all grandchildren, sixteen in number, except two, were present.

The occasion was celebrated with an old fashioned Missouri dinner, such as his good wife and daughter can prepare. Every child and grandchild had a present for him. All enjoyed themselves beyond all expectation; none more than Mr. and Mrs. Hawkins, who were proud to have their children and families with them.

May the Hand of Destiny be stayed and this venerable old father and mother live on and on to bless their offspring with their wisdom, and may these children and grandchildren be monuments to their memory in the years to come, is the prayer of the CHAS. SUTTON.

Des Arc Items.

While coming on No. 22 to-day, Sunday, I met my friend, Chas. M. Hay, one of the brightest young lawyers in Southeast Missouri. He was raised here among us. We know just what kind of material he is made of. He was down and made several speeches in behalf of Hon. O. L. Mun-
